

## **Wi-Fi Thermostat Terms and Conditions**

- Rebates are available to BGE residential electric customers, regardless of electric energy supplier.
- Customer must have a heat pump, gas furnace, gas boiler, and/or central air conditioning unit to be eligible for a rebate.
- Rebates are limited to a maximum of three qualifying, ENERGY STAR smart thermostats per BGE household. Rebate amounts and eligible appliances are subject to change at any time.
- Thermostat installations must comply with all federal, state and local code requirements.
- Customer applying for a rebate must be a BGE “customer of record” living at the address noted on the application. The rebate application must be filled out completely. All information is required. Incomplete applications will disqualify your rebate.
- Rebate amounts are valid while funds last.
- Customer agrees that BGE may include his/her name, BGE services, and resulting energy savings in reports or other documentation submitted to BGE and/or the Maryland State Public Service Commission. BGE will treat all other information gathered in evaluations as confidential and report it only in the aggregate. The confidentiality of data pertaining to individuals will be protected in accord with BGE privacy policy.
- BGE may use information about your energy usage, associated account, billing data, and thermostat data in order to evaluate and improve its products and services and make specific recommendations for decreasing your overall energy usage. Such information includes, but is not limited to, consumption and billing data, billing records, billing history, meter usage data, rate information, and heating/cooling run times.
